MEDICAID HOSPICE POLICY MANUAL

Section: PAYMENT FOR HOSPICE CARE

**Subject: Medicaid Hospice
Hospice Cap Payment**

Reference: ARM 37.40.830, 42 CFR 418.308, 418.309

HOSPICE CAP

Medicaid reimbursement to a hospice in a cap period is limited to a cap amount established using Medicare principles.

The Department will notify the hospice of the determination of program reimbursement at the end of the cap year.

Payments made to a hospice during a cap period, which exceed the cap amount, are overpayments and must be refunded.
